Spec. price list

Dear Customer:

We NEED the CASH and we need the room and if you are so situated so that you can take care of some of this stock now, you can save some money and get SOME EXTRA FINE STOCK THAT WILL BRING YOU BIG RETURNS.

This stock will be early enough so you can use it under black cloth for early blooms or you can plant it out in frame. Keep it topped back and you will have fine large plants for benching when you are ready, or you can put it in large pots and grow them out of doors to have fine large pot plants for blooming this fall.

PRICES--\$3.00 per 100, \$25.00 per 1000, less 25% for CASH WITH ORDER. An order of 500 or more assorted of these varieties at the 1000 rate.

Yours very truly,

GENEVA FLORAL COMPANY

Geneva, New York

The first part of the report deals with the general situation of the country, and the second part with the specific details of the project. The first part is divided into three sections: a general description of the country, a description of the population, and a description of the economy. The second part is divided into two sections: a description of the project itself, and a description of the results of the project.

Year	Population	GDP	Unemployment	Inflation
1970	10,000,000	1,000,000,000	10%	5%
1971	10,200,000	1,050,000,000	10%	5%
1972	10,400,000	1,100,000,000	10%	5%
1973	10,600,000	1,150,000,000	10%	5%
1974	10,800,000	1,200,000,000	10%	5%
1975	11,000,000	1,250,000,000	10%	5%
1976	11,200,000	1,300,000,000	10%	5%
1977	11,400,000	1,350,000,000	10%	5%
1978	11,600,000	1,400,000,000	10%	5%
1979	11,800,000	1,450,000,000	10%	5%
1980	12,000,000	1,500,000,000	10%	5%

The data shows a steady increase in population and GDP over the period, with unemployment and inflation remaining relatively stable. This suggests a healthy and growing economy. The specific details of the project are discussed in the following sections.
